MEMORANDUM

**TO: ALL CLERGY
AND RELIGIOUS**

**RE: QUALITY FURNISHINGS
AT WHOLESALE PRICES**

Year after year John C. Gill, Inc. leads the field in furnishing churches, rectories, parish houses, convents, schools and other ecclesiastical properties as well as colleges, hospitals, nursing homes, offices and industrial, commercial and professional accounts. So there must be a reason. There is. In fact, there are several good reasons. To cite a few:

★ **FIRST** We are specialists in this field with extensive experience.

★★ **SECOND** We are franchised by the leading factories and mills to provide you with the furniture, carpet, draperies, lamps and other accessories of your selection at wholesale prices.

★★★ **THIRD** We offer our customers the services of a trained, experienced professional staff of interior decorators and designers without additional charge to assist you in selecting colors and designs. We keep your budget in mind, too. Whether you require a single lamp or chair or mattress or complete furnishings for a convent, rectory or dormitory, we are equipped to serve you.

★★★★ **FOURTH** We are experts in the many skills our field demands. We can make and install draperies, lay carpet, reupholster or refinish furniture, make furniture layouts, coordinate colors of walls, floors and furnishings, etc.

★★★★★ **FIFTH** Interior design or specification writing and bid preparation is a separate function which we are equipped to perform independent of purchasing. Experience, training and familiarity with governmental regulations frequently enable us to effect substantial savings without sacrificing function or attractiveness.

★★★★★★ **SIXTH** We can do something else more difficult to define but no less important. We can adjust our thinking to yours. You may like modern or traditional designs, you may want your property entirely refurnished or you may want some new pieces that will harmonize with the old. We offer professional assistance in carrying out what **YOU** want. We are practical people who deal with practical problems in a practical way.

RICHARD CARDINAL CUSHING

1895-1970

Labor and Love — these words not only explain the providential achievements of these last years, but they explain as well the appeal of the person behind the program. Not merely among those of his own faith but for all members of the community, Cardinal Cushing has represented in his person those qualities which are most Christian and most worthy of admiration. Small wonder then that his influence was so large as to be immeasurable and his reputation so wide as to cover Christendom.

EASTER

Easter Sunday is the first Sunday after the first full
 moon which occurs on or after March 21. It may be as
 early as March 22 or as late as April 25. In 1971 It
 will fall on April 11.

The six and a half weeks which precede Easter Sunday
 are known as Lent. However, as restrictions are lifted on
 Sunday, the forty weekdays of this period constitute Lent
 during which the faithful are exhorted to follow the
 example of Our Lord and Saviour in His fast of forty
 days and nights in the desert. In 1971, Ash Wednesday
 will fall on February 24.

The Pontifical Society for the

PROPAGATION OF THE FAITH

Legal Name: The Propagation of the Faith of Boston, Inc.

The Holy Father's Own Missionary Society

Brother Felix Osodo, CFX, geography teacher at Kaimosi, locates Xaverian missions on map. He is a member of the Luo tribe. Along with Brothers Joseph and Andrew he leads the way for other Africans wishing to become Xaverian Brothers.

"A new era has dawned for the missions. New difficulties and new facilities lie on the path of those who, in the name of Christ, "preach the good news" (Rom. 10:15). The present state of the world offers a far wider and more inviting field of endeavor, though certainly not an easier one, to the courage and wisdom of the missionaries. We would like, today more than ever, to repeat Christ's pressing invitation: "Follow me and I will make you fishers of men" (Mt. 4:19). Let us not waste time in corrosive criticism, or let slip this historical moment which seems decisive for the future direction of mankind, and which offers to the talents and generosity of the young an opportunity to be bearers of new and exalting charisms of faith and charity."

The day the Catholic families banded together

Back in 1879, a group of recently-arrived Catholic families planted the seed of a new idea, a fraternal insurance society for mutual security and social benefit. The seed became a tree, the tree a forest. Foreseeing such growth, they named their society The Catholic Association of Foresters.

As a member of this non-profit organization, you have many ways to protect your family. Life insurance made flexible to a broad spectrum of needs. Accident and illness income protection. Hospitalization and medical coverage. And other specialized plans.

The association offers social and spiritual activities, programs for underprivileged families. Young members and the children of insured members can compete for Foresters College Scholarships.

Which plans are best for you and your family? Let the Catholic Association of Forester's help. We'll be glad to review your particular needs with no obligation.

Call us at (617) 536-8221 or write for more information.

Tomorrow's Yippie?

Probably not. So much in today's world will be gone tomorrow... Yippies, Hippies, Vietnam, and many of our social problems will be nothing but a history assignment when they reach high school age, we hope.

Guidance you give them today will influence the kind of world they'll build.

A big assignment! We'd like to help in several ways:

One way is school uniforms. Our Moore-Lyn division has liberalized styles and colors. We've made uniformity interesting with a new "Electives" program that allows students a voice, and choice, in selecting what they'll wear each day. You pick the colors and fabrics—they'll pick the styles. They have a choice, but you eliminate "best dressed" competition and fad fashions.

We offer rental apparel for significant events in their religious life, too. For First Holy Communion and Confirmation, we offer robe styles that

- ... help focus attention on the Sacraments rather than external influences.
- ... impart appropriate ecclesiastical dimension to the service.
- ... symbolize a spirit of union and growing maturity in worship.

Information about our products is free... offered without cost or obligation.

NEW TEXTS for MATH and the SOCIAL STUDIES...

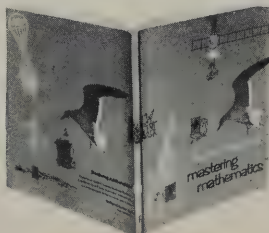

SADLIER CONTEMPORARY MATHEMATICS, K-9

—Bezuszka, Halliday, et al.

MASTERING MATHEMATICS, K-9

—Grossman, Gladstone, Hadler, et al.

This new skill-development program is structured for the average and slow learner, using a non-verbal approach requiring a minimum dependence on reading ability. Especially developed for the contemporary problems of teaching, these texts are not grade-marked, allowing for flexible classroom use.

A group of active classroom teachers have produced a program designed for contemporary courses of study, that accentuates understanding and the discovery techniques as applied to modern concepts in mathematics, at the same time that it promotes computational efficiency through diagnostic and skill-building exercises.

WORLD CULTURE GROUPS

—Webb, et al.

Dr. Webb and a renowned assemblage of specialists in the culture regions of the world have woven together an integrated, modern presentation based on the interdisciplinary approach to the social sciences.

Gestetner Add-A-Deck can save you time, trouble and money on all your Church Literature

Can you think of three better reasons for using the Gestetner Process?

Add-A-Deck For Assembling Your Own Complete **Gestetner ReproCenter**

In less than 60 seconds you can assemble the Add-A-Deck into your own Gestetner ReproCenter. In an area of less than 2 feet by 5 feet your ReproCenter will let you carry out stencil imaging, copying, duplicating and printing – or folding and paper cutting – and also allows you to store your paper, ink, stencils, duplicating accessories, and other supplies – and even file away your imaged stencils for future re-runs.

The Gestetner ReproCenter will blend into your front office decor, conveniently and

aesthetically, because of its pleasing colors (attractive two tone brown) with modern lines. Clean, simple – always ready for instant use.

The savings in space and motion can add up to a substantial cash dividend for you – one you cannot afford to overlook. See it at your local Gestetner Sales and Service office.

The printer for all seasons

Once upon a time all the printing in the Church was confined to monasteries where the monks labored tediously transcribing the words of God for the generations to follow. Centuries later, we at the Fandel Press feel somewhat awed to realize that here in our plant alone we are capable of printing and binding more work in a month than all the monks and artisans of the past ever accomplished in a lifetime. Why is this? The reason is simple. Printing has developed to the point where it is essential to everyday living. It is a vital force for today and the tomorrows of the future. At the Fandel Press, printing has rolled off our presses every working day of every week of every month of every year for fifty-two years . . . indeed the printer for all seasons. Won't you think of us for your next printing order?

Practically a New England institution — to choose Gas

Public buildings require a dependable fuel. Small wonder Gas is the choice in so many of them. It's versatile enough to supply even heat in winter and cool comfort in summer and Gas water heating is both fast and economical. When it comes to cooking, there's nothing better than a Gas range. It adjusts instantly. And only Gas gives you smokeless broiling.

Gas is also economical. It keeps buildings clean too. And because Gas equipment has fewer moving parts, it requires fewer repairs — an important consideration in institutional budgets.

If you'd like to find out what a good job Gas can do for you, call 522-5600, Ext. 381. No obligation.

Boston  **gas**

St. John's Seminary Library Building, 117 Lake St., Brighton, has Gas heating and air conditioning.

Elizabeth Seton High School, 50 Oakland St., Wellesley, has Gas ranges.

St. Zepherin's Rectory, 99 Main St., Cohituate, is heated by Gas.

St. Bernard's Convent, 24 Prospect St., West Newton, uses Gas for heat, hot water and cooking.

Today— Just as for Generations...

First National Stores has come a long way over the years, from the corner store which was once so much a part of almost every New England community to the magnificent, modern supermarkets which range from Northern Maine to New York and New Jersey in our own day. But basic "storekeeping" principles have not changed at First National — and they won't.

Today, just as for generations, First National knows that there is no economy without quality. Insistence upon rigid standards of excellence prevail now, as they always have. Quality is guaranteed.

First National is also dedicated to thrift . . . to lowest possible prices for its customers every shopping day of the year.

Today First National is quite as concerned as ever with matters of friendliness and courteous service and dependability . . . with providing the very best in foods and food shopping, in the famous First National tradition.

The Society of St. James of

is a means whereby concerned, enlightened Christians can reach out to their brothers in Latin America. St. James sends people (priests) to people. The priests help in whatever way they can — caring for a sick child in Lima's slums; finding food for an old man in Guayaquil; bringing Christ's sacraments and message to a priestless community in Bolivia. But their main task is to show that others care. By caring . . . by loving . . . by understanding, the St. James fathers hope to persuade those they serve to care about and for themselves.

Do you care? As a concerned Christian will you, through the Society of St. James, reach out and touch your brother in Latin America? Support your *Diocesan Priest Missionaries In Latin America*.

10 years of permanent life insurance from PMF actually costs you only \$35!

How can that be? At age 25, the annual premium for \$10,000 worth of ordinary life insurance from PMF is only \$125.50 a year. In ten years, that means you've invested \$1255. And at the end of that ten years your PMF policy has a *guaranteed cash value of \$1220!* Only \$35 less than what you paid in!

So a decade of protection has really cost you only \$35, or an average of \$3.50 a year! And the thing to remember, this factor is not true of all life insurance companies. In fact, many companies charge you more and guarantee you less cash value than PMF.

PMF can give you this outstanding life insurance value because we insure *only clergymen* (and their families, seminary students and missionaries overseas), and we in our chosen profession live longer. Thus we're entitled to lower rates, superior *guaranteed cash values*, excellent dividend history; add the fact that PMF has *never refused* a policyholder's claim and it helps explain why PMF provides more life insurance for *more clergymen of all religious groups* than any other insurance company.

Before you buy any life insurance, contact PMF. The money you save and the guaranteed benefits you receive make life insurance from PMF one of the outstanding family values you can obtain. Clip the coupon below for details.

Always, The Boston Catholic Directory is grateful to the large number of advertisers who annually make use of it in order to bring their excellent products to the attention of subscribers to The Directory. And, always, The Directory accepts ONLY the advertisements of reputable business concerns.

That it may render invaluable assistance to subscribers, the classified ADVERTISERS AND BUYERS GUIDE contains 412 different product and service classifications. Pastors, executives, institutions, administrators of federal, state, city and town departments, and those important people —

heads of families — will find "only the best" advertised in the foregoing columns.

Mentioning The Boston Catholic Directory, when you are making a purchase, will ensure the continuance of this excellent service.

THE LEGION OF MARY

Is One of the Great Spiritual Acts of Mercy

Convert!

Lots of people already have.
More than two and a half million of them from coast-to-coast. And hundreds more every day.

They've made the switch to clean, silent, trouble-free flameless electric heat. And they love it. They like the quiet, efficient way it goes about the job of heating a house . . . without hot spots or cold drafts.

And they like the idea of having a thermostat in every room.

That way they can set one temperature for the nursery and another cooler one for the playroom.

So whether you're building a house, a factory, or a church, why don't you look into flameless electric heat?

Or speak to those who have and listen to their "AMEN"
